- Are responded to promptly, objectively, with sensitivity and confidentiality.
- Are able to be made at no cost to the individual.
- Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.

Greenwich College Pty Ltd will maintain a record of all complaints and appeals and their outcomes on the Complaints and Appeals Register.

Nothing in this policy limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

All complaints and appeals will be handled professionally and confidentially in order to achieve a satisfactory resolution that is fair and equitable to all parties. The principles of natural justice and procedural fairness are adopted at every stage of the complaint and appeal process. This will include not having the complaint or appeal managed or decided upon by the staff person or persons directly associated with the complaint or the decision maker(s) directly associated with an appeal.

The aim of Greenwich College Pty Ltd and its staff is to achieve the highest levels of customer/student satisfaction and all complaints and appeals will be addressed in this light and with a spirit of care and consideration for the student.

Complaints and appeals will be recorded, acknowledged and dealt with fairly, efficiently and effectively. Greenwich College Pty Ltd will keep records of all formal appeals and their outcomes on the student management system. All such records will be treated as confidential.

Students will be provided with details of external authorities they may approach, if required.

At any stage in the internal complaint or appeal process, students are entitled to have a support person of their choice accompany and support them.

All complaints and appeals require a written record if the complaint or appeal cannot be resolved informally:

- This includes a written statement of the outcome, including details and reasons for the decision; and
- All complaints and appeals must be commenced within 10 working days of Greenwich College Pty Ltd receiving the formal written lodgement of the complaint or appeal. The speed of processing must take into consideration the student's visa and enrolment time frames.

Greenwich College Pty Ltd will maintain the student's enrolment while the complaints and appeals process is ongoing. This means Greenwich College Pty Ltd does not notify Department of Home Affairs (DHA) of any change to the student's enrolment status through the Provider Registration and International Student Management System (PRISMS) on unsatisfactory course progress or attendance until the student has accessed the internal and external complaints and appeals process, and the decision or recommendation does not accept the student's appeal reasons. This does not necessarily mean that a student will remain in class. However, students will only be removed from class in extreme cases where issues of personal safety and well-being are of concern, such as in cases of discrimination or harassment.

Overseas student's unsatisfactory course progress or attendance will be reported in PRISMS only after:

- The internal and external complaints processes have been completed and the breach has been upheld;
- The student has chosen not to access the internal complaints and appeals process within 20 working days period;
- The student has chosen not to access the external complaints and appeals; or
- The student withdraws from the internal or external appeals process, by notifying Greenwich College Pty Ltd in writing.

Greenwich College Pty Ltd actively explores and identifies potential causes of complaints and appeals and takes appropriate corrective action to eliminate or mitigate the likelihood of recurrence via its Policy and Procedure on Continuous Improvement.

If a student is not satisfied with the outcome or conduct of the internal complaint and appeals process, Greenwich College Pty Ltd will supply information to the student on how to pursue the appeal through an external appeals process. There is no charge for advising students of their rights to access an external appeals process. The external appeals process to which the student is referred should be at minimal or no cost. Students are to be notified that the purpose of the external appeals and process is to consider whether Greenwich College Pty Ltd has followed its policies and procedures. When the external appeals process has been completed, Greenwich College Pty Ltd will immediately implement the decision or recommendations and/or take the preventive or corrective action required by the outcomes of the external complaints handling or appeals process, and notify the student of the outcome.

Greenwich College Pty Ltd will provide the student the contact details of the external complaints and handling and appeals body, that is, the Overseas Student Ombudsman (OSO).

Greenwich College Pty Ltd will make specific arrangements for independent review of complaints about issues not covered by the Australian Competition and Consumer Commission (ACCC) or the OSO.

If the student is not satisfied with the outcome of the internal appeals process or the following external appeals process, the student can access multiple external appeals but Greenwich College Pty Ltd is not responsible to assist the student with finding further appropriate appeals process.

Neither this policy nor the associated procedure removes from the student their right to any applicable consumer protections, legislations or regulations or the right to take action under any Australian consumer protection laws.
